Shelf Life Extension for ARDEX PC-T and SD-T

We are pleased to announce that, after extensive in-house testing, we are extending the shelf life of ARDEX PC-T and ARDEX SD-T to 9 months (previously 6 months) for unopened, properly stored bags.

This will confirm that the 9-month shelf life applies to all current and future stock of unopened, properly stored ARDEX PC-T and ARDEX SD-T.

Should you have any questions on this information, or if we can be of further assistance, please contact the ARDEX Technical Service Department.
