

## ARDEX TECHNICAL UPDATE

### Update 144

August 30, 2019

To: ARDEX Sales Professionals, Sales Managers, Corporate (select); web; social media

From: ARDEX Technical Department

### **ARDEX Underlayments and Castor Wheels (EN 12 529)**

We are pleased to confirm that an installation of any of the following underlayments with finish flooring is suitable for castor wheels according to EN 12 529.

- ARDEX MRF
- ARDEX FEATHER FINISH
- ARDEX FORTI FINISH
- ARDEX SKM
- ARDEX GPS

Please note that the ARDEX underlayment must be installed in accordance with our written recommendations. Please also note that it must be verified that the finish flooring and the adhesive are suitable for the specific castor wheel traffic.

Revisions to the technical data sheets are in process and expected to be completed by the end of next week.

Should you have any questions on this information, please contact the ARDEX Technical Service Department.
