

ARDEX TECHNICAL UPDATE

Update 120

January 2, 2018

To: ARDEX Sales Professionals, Sales Managers; corporate select

From: ARDEX Technical Department

ARDEX K 60 IMO Certification

We are pleased to announce that ARDEX K 60™ ARDITEX has been tested by the UL and meets all Primary Deck Covering requirements of the U.S. Coast Guard and International Maritime Organization (IMO).

ARDEX K 60 complies with all applicable requirements in the IMO International Code for Application of Fire Test Procedures (FTP Code) and has been approved for use in shipbuilding applications where the IMO's performance standards are required. Testing shows that ARDEX K 60 does not contribute smoke, toxicity or significant heat or flame spread, and the product has been issued a Coast Guard approval and a Certificate Approval #164.106/56/0.

Should you have any questions on this information, or if we can be of further assistance, please contact the ARDEX Technical Service Department.

A handwritten signature in black ink, appearing to read "TASch", written over a horizontal line.
